

**MEDICAL UNIVERSITY OF PLEVEN  
FACULTY OF PUBLIC HEALTH**

**GLOBAL ETHICS DAY  
17.10.2018**

**Ethics around us**

**GLOBAL**

Dear colleagues,

On 17<sup>th</sup> of October 2018 Medical University of Plevan is joining The Global Ethics Day. Official languages of the event are English and Bulgarian.

**PLANNED ACTIVITIES:**

**1/ Ethics quiz**

Let's think about ethics around us. All second year students in medicine (English division) will be invited to take part in Ethics quiz and to share their opinion about:

- **What is the most pressing ethical issue today?**
- **What ethical issue matters most to you?**

Quiz materials will be distributed by Assist. Prof. Atanas Anov within the ethics seminars in the period 1<sup>st</sup> to 12<sup>th</sup> of October. The participation is voluntary and anonymous. Students of other years of study are welcome to share their opinion and place it into the designated boxes at the Faculty of Public Health. **Results will be published in the University newspaper "Academia medica".**

**2/ Ethics movie and discussion evening – All students and academic staff members are invited**

**Place:** Hall Ambroise Pare, Beginning 17:00

- o **"Outbreak" (1995)** Stars: Dustin Hoffman, Rene Russo, Morgan Freeman – *in English with Bulgarian subtitles*

*When a disease in Africa is discovered, Colonel Sam Daniels of the United States Army Medical Research Institute for Infectious Diseases, is sent to investigate. When he reports back to his superior officer General Ford and tells him that they should put out an alert on this disease, the General decides that the disease is too far to endanger American population. However, a monkey from that part of Africa was brought to the USA..... - Discussion on public health ethics within infectious disease control.*
